PETITION TO ACCEPT PHOTOGRAPHS OR PHOTOCOPIES

UNDER 37CFR 1.84 (b) (1)

Honorable Commissioner
for Patents

August 20 2003

Dear Commissioner:

This is petition requesting that the Office accept photographs in a utility patent application designated as Fig. 8 and Fig. 9.

The appropriate fee of \$130.00 as set forth in section 1.17 (i) is enclosed herewith.

Although the enclosures and this petition are designated as photographs, they are not photographs in the traditional sense. Instead, they are photocopies printed on modern reproduction equipment. Therefore, it is alternatively requested that the petition be deemed unnecessary and the drawings accepted under 37CFR 1.84 (a) as conventional black and white drawings.

A set of three copies in color and three copies in black and white are enclosed. Applicant prefers, and submits that is preferable to issue the Figures in color because greater detail is shown in the color versions.

If any extension of time is required to file this document, such extension is hereby requested. If any fee is required to file this document, such fee may be charged to PTO Account No. 50-1054. Throughout prosecution of this Application any fee is required to file a document may be charged to PTO Account No. 50-1054.

Respectfully submitted,

Lawrence S. Cohen

Date: August 20, 2003
